ORDER OF THE KU KLUX KLAN**

THE EXALTED KNIGHTS

WWW.EXALTEDKNIGHTS.COM

After the cannons fell silent and peace descended upon the battlefields of the War Between the States, there came an infamous chapter of American History called "Reconstruction". From this era, this abyss of human misery and despair, there arose like the morning Sun the Ku Klux Klan. The KKK movement provided for people of the South the leadership and rallying point to begin their arduous struggle to regain their lost dignity and indeed, the values of western civilization.

The glorious ride of the Ku Klux Klan of the Reconstruction era is immortalized by its achievements. No misrepresentations by prejudiced historians or by the aliens who control America's mass media can dim the luster of its deeds, or rob it of its rightful place in history as the savior of the White South and thereby, the preserver of the White Race for all of America.

The Exalted Knights keeps alive the memory of the original Klansmen and the principles and traditions for which they risked their lives. However, the Klan today does not exist just as a memorial to past accomplishments, but as living instrument for the ideas of Western Christian Civilization and the one element that makes them possible: the White Race. Not a mere political association, the Klan is indeed a BROTHERHOOD, a new White Racial Community that actually LIVES and functions by the ideas it promotes.

WHAT THE KLAN STANDS FOR:

1. The White Race: The irreplaceable hub of our Nation, our Christian Faith, and the High levels of Western Culture and technology.
2. America First: First before any foreign or alien influence.
3. The Constitution: As originally written by our forefathers.
4. Free Enterprise: Private property and ownership of business, but an end to high finance exploitation.

5. Positive Christianity: The right of every White Anglo Saxon American to practice their faith, including prayers in schools.

WHAT THE KLAN IS:

The Exalted Knights, Order of the Ku Klux Klan is a fraternal and a patriotic movement promoting the ideas of Western Christian Civilization. It is not merely a "social association", but a dynamic crusading White movement of World historical perspective seeking the establishment of a new order upon the Earth.

It is a duly incorporated legally recognized institution, working to rebuild our collapsing society on the basis of these principles: Honor, Honesty, Duty, Courage, Brotherhood and Patriotism.

The Klan is referred to as the Invisible Empire because it is indeed a whole new community in itself. As the Ku Klux Klan strives toward the ideas it wants for the nation tomorrow, it lives by those ideas today. We are the generation of tomorrow, TODAY.

THE ORIGIN OF THE NAME KU KLUX KLAN:

The name Ku Klux Klan comes from the Greek word KUKLOS, meaning circle, wheel, or band. This name was chosen because in it is contained some of the unique characteristics of the White Race. The wheel is certainly the best symbol of creativity: hence the creativity of the White Race and the circle is the oldest symbol of unity.

KUKLOS thought about in this context simply means White Racial Brotherhood. Ku Klux was simply taken from the word KUKLOS and Klan was added.

THE KLAN SYMBOL:

The blood drop is the Klan symbol. It is composed of a White Christian cross on a red circle background with four "K's" superimposed around the cross. In the center of the cross is a blood drop symbolizing the blood of Christ who died for our sins.

Through the centuries no symbol has better represented the White Race better than the blood drop of this Order.

THE KLAN HOOD AND ROBE:

The Klan hood and robe has never been used by true Klansmen for the purpose of wrongdoing. In many of the old Christian rituals, the hood was worn as a symbol of humility and of anonymity in doing good works.

This was the conception of the hood when the Klan was ably headed by General Nathan Bedford Forrest, and this is its true meaning for us in our Klan rituals--selfless dedication to our God Yahweh, our Racial Nation, and our entire movement. NON SILBA, SED ANTHAR: Not For Self But For Others.

PREREQUISITES OF CITIZENSHIP IN THE INVISIBLE EMPIRE:

The Exalted Knights, is not an "open membership" organization. Only those who meet our qualifications 100% are allowed into our ranks.

No person is allowed into this movement who hasn't enough integrity to assume a real oath and keep it inviolate.

No person is allowed into our ranks who cannot swear an unqualified allegiance to our Nation.

No person is allowed into this movement who cannot pledge themselves to the protection, preservation, and advancement of the White Race.

No person is allowed in this movement who cannot practice real brotherhood toward all of his fellow citizens.

Only White, non-Jewish citizens at least eighteen years old, who pledge to dedicate their lives to Yahweh's Sacred and Holy Cause can enter the Invisible Empire.

The Exalted Knights is a strictly legal, law-abiding organization, and every citizen is sworn to uphold the law and the principles of justice, and that he will not conspire with other, Klansmen or Alien to commit any illegal or violent acts.

The Exalted Knights, Order of the Ku Klux Klan concedes the right of every citizen right to worship Yahweh as he or she sees fit, and will not tolerate any denominational dissention of any nature. All Klansmen, must at this juncture in history unite and work together against our common Marxist enemy, which would utterly destroy the Aryan Race and our Christian faith.

ON THE RACE QUESTION:

The Exalted Knights, Order of the Ku Klux Klan does not consider itself the enemy of any race. The only way other races can develop their full potential and culture is through racial separation.

The Klan will oppose further integration and its manifestations including the high crime rate, racial intermarriage, the destruction of our schools, lowering of labor standards.

WHY THE KU KLUX KLAN IS THE ONLY MOVEMENT THAT CAN SAVE AMERICA:

Men and women today are drawn to our Cause every day from all parts of the United States and from all corners of the world. Always a few of them will ask, "okay", I believe in what you're fighting, but why do you use that name , Ku Klux Klan, isn't there a name you could use that will give you less tribulations?

What these people do not realize is that if we did not stand up honestly and use the historical and true name of our Movement, in all likelihood, they would never have heard of us! The media masters can block anything out from the American people in innocuous sounding 'right-wing movement', but they cannot black out a "movement" that they themselves have represented as a dire threat to "race-mixing." For years the media has used a "misrepresented KKK" as a vehicle to arouse sympathy for the Blacks.

Today, many people have experienced the Negro Race first-hand and have seen the savagery and animalism in many of these people. White people simply will not buy the "equality" propaganda anymore, and have begun to doubt some of the anti-Klan hysteria that they have been fed in school and from TV. and movies.

Once people understand that the KKK is simply a movement of White people from the highest standards of Western Christian Civilization, and that the KKK did WIN its first struggle for our people in the Post-Civil War period, they naturally turn to it as an answer to today's crisis.
